Catalogue Houses Busy.

Thousands of dollars are being spent with the big catalogue houses of the east by the residents of the small towns in southern Utah, according to reports brought to Salt Lake by Orson Hewlett, president of the Manufacturers' and Merchants' association, and Lorenzo Jenkins, secretary and manager of the Retail Merchants' association of the state.

Messrs. Hewlett and Jenkins spent nearly a week in Sanpete county and vicinity, calling merchants and farmers together to urge greater patronage of home industries. Ephraim, Moroni, Fairview, Spring City, Mount Pleasant, Fountain Green, Manti and Chester were visited and in each place the greatest enthusiasm was manifested by merchants over the campaign recently inaugurated by commercial bodies of the state for a more extensive patronage of home industries.

Meetings were called and ways and means discussed by which the practice of patronizing the mail order houses can be done away with. This practice has reached alarming proportions in the southern part of the state, according to Messrs. Hewlett and Jenkins. One small town alone last month received goods to the value of \$1,200 from a big eastern mail order concern.—Salt Lake (Utah) Herald.

The Limit of Life.

The most eminent medical scientists are unanimous in the conclusion that the generally accepted limitation of human life is many years below the attainment possible with the knowledge of which the race is now possessed. The critical period that determines its duration, seems to be between 50 and 60; the proper care of the body during this decade cannot be too strongly urged; carelessness then being fatal to longevity. Nature's best helper after 50 is Electric Bitters, the scientific tonic medicine that revitalizes every organ of the body. Guaranteed by R. C. Hardwick, Druggist. 50c.

Barred Escape by Suicide.

This from the Transvaal: "The Potchefstroom magistrates, in committing for trial a local lawyer, who was charged with theft, agreed to accept bail only on the stipulation that if the accused man committed suicide £4,000 (\$20,000) should be forfeited by the sureties."

Endorsed By the County.

"The most popular remedy in Otsego County, and the best friend of my family," writes Wm. M. Dietz, editor and publisher of the Otsego Journal, Gilbertsville, N. Y., "is Dr. King's New Discovery. It has proved to be an infallible cure for coughs and colds, making short work of the worst of them. We always keep a bottle in the house. I believe it to be the most valuable prescription known for Lung and Throat diseases." Guaranteed never to disappoint the taker, by R. C. Hardwick, Druggist. Price 50c and \$1.00. Trial bottle free.

A Lottery At Best.

And those who marry for love are just as apt to bump up against disappointment as those who marry for money.

"My child was burned terribly about the face, neck and chest. I applied Dr. Thomas' Electric Oil. The pain ceased and the child sank into a restful sleep."—Mrs. Nancy M. Hanson, Hamburg, N. Y.

Can Be Kept Clean.

But the pot has no excuse for calling the kettle black if it is porcelain lined.

Hives, eczema, itch or salt rheum sets you crazy. Can't bear the touch of your clothing. Doan's Ointment cures the most obstinate cases. Why suffer. All druggists sell it.

Storehouse or Junkshop.

Some men use their minds as storehouses and some others use theirs as junkshops.

"Everybody Should Know"

says C. G. Hays, a prominent business man of Bluff, Mo., that Bucklen's Arnica Salve is the quickest and surest salve ever applied to a sore, burn or wound, or to a case of piles. I've used it and know what I'm talking about." Guaranteed by R. C. Harkwick, Druggist. 25c.

Growing Less.

Since 1890, when the Grand Army of the Republic had 409,489 members enrolled, its numerical strength has been cut down almost one-half. There are only about 212,000 comrades now. The losses by death ran up to 3,000 or 10,000 a year. There is practically no chance to gain recruits.—Cleveland Leader.

Can't look well, eat well or feel well with impure blood feeding your body. Keep the blood pure with Burdock Blood Bitters. Eat simply, take exercise, keep clean and you will have long life.

WHAT THE KIDNEYS DO.

Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every 3 minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy, some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

Mrs. W. I. Bailey, living on east Greenville st. Madisonville, Ky. says: "It is four years since I recommended Doan's Kidney pills through out papers and my confidence in them during the time which has elapsed has not been shaken in the least, on the contrary I learned more about them and can recommend them even more strongly. I said at that time that Mr. Bailey had suffered from kidney complaint off and on for a number of years, and had used almost every known remedy for this trouble but nothing brought permanent results. He finally learned of Doan's Kidney pills and got a box. They benefitted him in every way, more so than all the other kidney medicines he had ever tried. He has used them many times during the past four years, and they have never failed to give him relief from these severe attacks. I have used Doan's Kidney pills myself for a weakened condition of the kidneys and they proved just as satisfactory in my case. We both think there is no remedy like Doan's Kidney pills."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

New Bee Disease.

Among bees in the Isle of Wight a singular disease has been spreading. It assumes the form of a kind of paralysis, and up to the present all efforts to combat the malady have been useless. It is believed that the bees will be extinct in the island within another year unless a remedy be quickly found.

Don't use harsh physics. The reaction weakens the bowels, leads to chronic constipation. Get Doan's Regulets. They operate easily, tone the stomach, cure constipation.

Plenty Left.

Little Mabel, aged five, who was visiting her aunt in the country, had developed a great fondness for milk. One day, having drunk as much as her aunt thought good for her, she was told that she could not have any more. "I don't see why. There's two whole cowslout out in the barn."—Home Magazine.

The Presidential election is approaching. "Times have changed. That is all. Mr. Watterson is a Democrat, and has always been a Democrat, never a Republican.
